

# GUIDE POKERLAND CASINO APPLICATION

## ADD DELETE MACHINES

The screenshot shows the 'Maquinas' application window. At the top, it has a title bar 'Maquinas' and a 'Help' button. Below the title bar is a 'Datos Usuario' section with the 'POKERLAND' logo and a user icon. The main section is 'Detalles Agregar Maquina'. It contains several input fields: 'Number Machine' (with the value '6'), 'Machine Type' (with radio buttons for 'Poker' and 'Multijuego'), 'Counters' (with 'IN' and 'OUT' sub-labels and values '20' and '30'), 'Acquisition Date' (with the value '4/04/2016' and a calendar icon), and 'Bet Value' (with the value '100'). At the bottom of the form are buttons for '|<', '<', '>', '|>', 'Save', 'Update', and 'Delete'. Below the form are two large buttons: 'Back Menu' and 'Report'. Seven callout boxes with blue borders and lines pointing to specific elements provide instructions: 'You can enter the number of the machine you want to save.' points to the 'Number Machine' field; 'You can select the machine type you want to save.' points to the 'Machine Type' radio buttons; 'You can enter the Counters of the machine.' points to the 'IN' and 'OUT' counter fields; 'You can enter the bet value of the machine.' points to the 'Bet Value' field; 'You can select acquisition date of the machine.' points to the 'Acquisition Date' field; 'You can save the data entered.' points to the 'Save' button; and 'The application generates a report with the machines entered.' points to the 'Report' button.

You can enter the number of the machine you want to save.

You can select the machine type you want to save.

You can enter the Counters of the machine.

You can enter the bet value of the machine.

You can select acquisition date of the machine.

You can save the data entered.

The application generates a report with the machines entered.
